PURPOSE AND SCOPE OF EXAMINATION

This market conduct report was prepared by independent examiners contracting with the Colorado Division of Insurance for the purpose of auditing certain business practices of insurers licensed to conduct the business of insurance in the State of Colorado. This procedure is in accordance with Colorado Insurance Law, Section 10-1-204, C.R.S., which empowers the Commissioner to supplement his resources to conduct market conduct examinations. The findings in this report, including all work product developed in the production of this report, are the sole property of the Colorado Division of Insurance.

The purpose of the examination was to determine the Company's compliance with Colorado insurance law and with generally accepted operating principles related to automobile insurance laws. Examination information contained in this report should serve only these purposes. The conclusions and findings of this examination are public record. The preceding statements are not intended to limit or restrict the distribution of this report

The examination was governed by, and was performed in accordance with, procedures developed by the National Association of Insurance Commissioners and the Colorado Division of Insurance. In reviewing material for this report the examiners relied primarily on records and material maintained by the Company. The examination covered twelve months of the Company's operations, from January 1, 2003, to December 31, 2003.

File sampling was based on a review of underwriting and claim files systematically selected from file runs provided by the company. Sample sizes were chosen based on procedures developed by the National Association of Insurance Commissioners. Upon review of each file, any findings were noted on a comment form and delivered to the Company for review. Once the Company was advised of a finding contained in a comment form the Company had the opportunity to respond and was requested to agree, disagree or otherwise justify the Company's noted action. At the conclusion of the examination the Company was provided a summary of the findings.

The examination report is a report by exception and much of the material reviewed is not addressed in the written report. Reference to any practices, procedures, or files, which manifested no improprieties, was omitted.

An error tolerance level of plus or minus ten dollars (\$10.00) was allowed in most cases where monetary values were involved. However, in cases where monetary values were generated by computer or other systemic methodology, a zero (\$0) tolerance level was applied in order to identify possible system errors. Additionally, a zero (\$0) tolerance level was applied in instances where there appeared to be a consistent pattern of deviation from the Company's established policies, procedures, rules and/or guidelines. When sampling was involved, a minimum error tolerance level of five percent (5%) was established to determine reportable exceptions. However, if an issue appeared to be systemic, or when due to the sampling process it was not feasible to establish an exception percentage, a minimum error tolerance percentage was not utilized. Also, if more than one sample was reviewed in a particular area of the examination (e.g. timeliness of claims payment), and if one or more of the samples yielded an exception rate of five percent (5%) or more, the results of any other samples with exception percentages less than five percent (5%) were also included.

The report addresses only Private Passenger Automobile issues and contains information regarding exceptions to the Colorado Insurance Code. The examination included review of the following five (5) Company operations:

- 1. Company Operations and Management
- 2. Complaint Handling
- 3. Producers
- 4. Underwriting and Rating
- 5. Claims

Certain unacceptable or non-complying practices may not have been discovered in the course of this examination. Additionally, findings may not be material to all areas that would serve to assist the Commissioner. Failure to identify or criticize specific Company practices does not constitute acceptance by the Colorado Division of Insurance. Examination findings may result in administrative action by the Division of Insurance.

EXAMINERS' METHODOLOGY

The examiners reviewed the Company's Private Passenger Automobile underwriting and claims practices to determine compliance with the Colorado insurance law.

EXAMINATION REPORT SUMMARY

The examination resulted in five (5) issues arising from the Company's apparent failure to comply with Colorado statutes and regulations that govern all property and casualty insurers operating in Colorado. These issues involved three (3) of the five (5) categories of Company operations examined as follows:

<u>Company Operations and Management:</u> In the area of company operations and management, two (2) compliance issues are addressed in this report. These issues arose from Colorado statutory and regulatory requirements that must be followed by the Company in the issuance, cancellation, and non-renewal of policies of insurance. It is recommended that the Company review its operating and management practices and procedures and make the changes necessary to ensure future compliance with applicable statutes and regulations. The issues in this area are:

- Failure, in some cases, to provide a quarterly premium payment plan.
- Failure, in some cases, to maintain records.

<u>Complaint Handling</u>: In the area of complaint handling, no compliance issues are addressed in this report.

Producers: In the area of producers, no compliance issues are addressed in this report.

<u>Underwriting and Rating</u>: In the area of underwriting and rating, two (2) compliance issues are addressed in this report. These issues arose from Colorado statutory and regulatory requirements that must be complied with whenever policies are canceled, non-renewed, premiums increased or decreased, or surcharged. It is recommended that the Company review its underwriting and rating practices and procedures and make the changes necessary to ensure future compliance with applicable statutes and regulations as to each issue.

- Failure to include a provision in the Company's underwriting guidelines for excluding a named driver in some cases.
- Cancellation of coverage after fifty-nine (59) days in some cases, for reasons not allowed by Colorado insurance law, and failure in some cases, to clearly describe the underwriting rule, policy or guideline which is the basis for non-renewing a policy.

<u>Claims</u>: In the area of claims, one (1) compliance issue is addressed in this report. This issue arose from Colorado statutory and regulatory requirements dealing with the payment of claim benefits and the timeliness of claim payments. It is recommended that the Company review its claims practices and procedures and make the changes necessary to ensure future compliance with applicable statutes and regulations in this area.

• Failure, in some cases, to timely pay PIP benefits.

A copy of the Company's response, if applicable, can be obtained by contacting the Company or the Colorado Division of Insurance. PERTINENT FACTUAL FINDINGS OPERATIONS AND MANAGEMENT	

Issue A: Failure, in some cases, to provide a quarterly premium payment plan.

Section 10-4-718, C.R.S., Quarterly premium payments, provides:

The commissioner shall issue rules establishing quarterly, semiannual, and annual premium payments for persons who are required to purchase insurance under this part 7. An insurer providing a plan for payments on a basis that is more frequent than quarterly need not also provide a quarterly payment plan. An insurer's plan for payments may provide for payments of an advance deposit premium.

Section 10-4-625, C.R.S. Quarterly premium payments, effective July 1, 2003, provides:

The commissioner shall issue rules establishing quarterly, semiannual, and annual premium payments for persons who are required to purchase insurance under this part 6. An insurer providing a plan for payments on a basis that is more frequent than quarterly need not also provide a quarterly payment plan. An insurer's plan for payments may provide for payments of an advance deposit premium.

Colorado Insurance Regulation 5-2-3, Auto Accident Reparations Act (No-Fault) Rules and Regulations, promulgated by the Commissioner of Insurance under the authority of Section 10-1-109, C.R.S., provides in part:

D. Installment Premium Payments

- 1. Each insurer continuing private passenger motor vehicle insurance coverage in conformity with the Colorado Automobile Reparations Act shall offer, for persons who are required to purchase insurance under Part 7 of Title 10, Article 4, C.R.S., a quarterly premium payment plan. An insurer, providing a plan for payments of premium on a basis that is more frequent than quarterly, need not also provide a quarterly payment plan.

- 2. Each insurer shall be required to file rules, methods or procedures to provide an installment premium payment plan.
- 3. An insurer's premium payment plan that is more frequent than quarterly may provide for payments of an advance deposit premium not greater than one month's premium.

Colorado Insurance Regulation 5-2-12, Concerning Automobile Insurance Consumer Protections, promulgated by the Commissioner of Insurance under the authority of Section 10-1-109, C.R.S., provides, in part:

Section 5 Rules

A. Installment Premium Payments

- 1. Each insurer continuing private passenger motor vehicle insurance coverage in conformity with the Colorado Automobile Reparations Act shall offer, for persons who are required to purchase insurance under Part 6 of Title 10, Article 4, C.R.S., a quarterly premium payment plan. An insurer, providing a plan for payments of premium on a basis that is more frequent than quarterly, need not also provide a quarterly payment plan.
- 2. Each insurer shall be required to file rules, methods or procedures to provide an installment premium payment plan.
- 3. An insurer's premium payment plan that is more frequent than quarterly may provide for payments of an advance deposit premium not greater than one month's premium.

The Company's underwriting manual states, on page 6 of 33:

BINDING NEW APPLICANTS (LMFIC & LIC)

Down Payment

A deposit must accompany each new business automobile application. ... A 100% down payment will be required for operators who have had coverage terminated during the past 12 months due to non-payment of premium. [Emphasis added.]

On page 8 of 33:

NON-PAYMENT CANCELLATION REWRITES

Credit Department approval is not required for the rewrite of policies canceled by Liberty for non-payment of premium if the balance due from the canceled policy and *the full premium for the rewrite* are submitted with the application.

Down Payment Amount Guidelines:

- Exceptions to the 100% down requirement should rarely, if ever, be made. Exceptions are warranted when:
- The non-pay was due to an error on the part of Liberty Mutual.
- A newly written customer is cancelled subsequent to the first or second bill due to confusion about our billing system.

• A customer on salary deduction is cancelled for not paying a direct bill resulting from a policy change.

The following guidelines should be used when making down payment exceptions for reasons other than those cited above:

- Exceptions should not be made for non-payment cancellations during the initial year of coverage.
- In the event an exception is made for either new business or renewal customers, rarely should the down payment amount be less the 50%
- In the event of a second non-payment cancellation during the past 36 months, LMFIC customers should only be offered LIC with a 100% down payment. Customers already insured in LIC, should not be offered a rewrite.

On Page 9 of 33:

PREVIOUS TERMINATION

A 100% down payment will be required for operators who have had coverage terminated during the past 12 months due to non-payment of premium.

Failure to offer a quarterly premium payment plan to all applicants, policy reinstatements and policy rewrites may be a violation of Colorado insurance law.

Recommendation #1:

Within 30 days the Company should demonstrate why it should not be considered to be in violation of Sections 10-4-718 and 10-4-625, C.R.S., and Colorado Insurance Regulations 5-2-3 and 5-2-12. If the Company is unable to provide such documentation, it should be required to provide documentation demonstrating that it has corrected its practices and procedures to ensure that a quarterly payment plan is offered in compliance with Colorado insurance law.

Issue B: Failure, in some cases, to maintain records required for market conduct purposes.

Colorado Insurance Regulation 1-1-7, Market Conduct Record Retention, promulgated by the Commissioner of Insurance under the authority of Section 10-1-109, C.R.S. provides, in part: ...

B. RECORDS REQUIRED FOR MARKET CONDUCT PURPOSES

- 1. Every insurer/carrier or related entity licensed to do business in this state shall maintain its books, records, documents and other business records so that the insurer's/carrier's or related entity's claims, rating, underwriting, marketing, complaint, and producer licensing records are readily available to the commissioner. Unless otherwise stated within this regulation, records shall be maintained for the current calendar year plus two calendar years.
- 2. A policy record shall be maintained for each policy issued in this state. Policy records shall be maintained for the current policy term, plus two calendar years, unless otherwise contractually required to be retained for a longer period. Provided, however, documents from policy records no longer required to be maintained under this regulation, which are used to rate or underwrite a current policy, must be maintained in the current policy records. Policy records shall be maintained so as to show clearly the policy term, basis for rating and, if terminated, return premium amounts, if any. Policy records need not be segregated from the policy records of other states so long as they are readily available to the commissioner as required under this rule. A separate copy need not be maintained in the individual policy records, provided that any data relating to that policy can be retrieved. Policy records shall include:
- a. The application for each policy, if any;
- b. Declaration pages, endorsements, riders, termination notices, guidelines or manuals associated with or used for the rating or underwriting of the policy. Binder(s) shall be retained if a policy was not issued; and c. Other information necessary for reconstruction of the rating and underwriting of the policy.
- 3. Claim files shall be maintained so as to show clearly the inception, handling and disposition of each claim. A claim file shall be retained for the calendar year in which it is closed plus the next two calendar year

Policies surcharged

1 oncies sur charged			
Population	Sample Size	Number of Exceptions	Percentage to Sample
1304	50	5	10%

An examination of 50 policies, representing 4% of all policies surcharged by the Company in Colorado during 2003, showed five (5) exceptions (10%) of the sample) in which the Company failed to retain a copy of the notice of increase letter sent to the policyholder.

All other Paid Claims

Population	Sample Size	Number of Exceptions	Percentage to Sample
3511	50	1	2%

An examination of 50 policies, representing 2% of all other claims handled by the Company in Colorado during 2003, showed one (1) exception (2% of the sample) in which the Company failed to retain a copy of a hand written claim payment check.

Failure to retain records required for market conduct purposes may be a violation of Colorado Insurance.

Recommendation #2:

Within 30 days the Company should demonstrate why it should not be considered to be in violation of Colorado Insurance Regulation 1-1-7. If the Company is unable to provide such documentation, it should be required to provide documentation demonstrating that it has corrected its record retention practices and procedures and implemented a plan to ensure compliance with Colorado insurance law.

PERTINENT FACTUAL FINDINGS
UNDERWRITING AND RATING

Issue C: Failure to include a provision in the Company's underwriting guidelines for excluding a named driver in some cases.

Section 10-4-719.7, C.R.S., Refusal to write, changes in, cancellation, or nonrenewal of policies prohibited, states, in part:

- (b)(I) No insurer shall refuse to write a complying policy solely because of the claim or driving record of one or more but fewer than all of the persons residing in the household of the named insured.
- (II) An insurer shall offer to exclude any person by name pursuant to section 10-4-721 in the household if such person's driving record and claim experience would justify the refusal by such insurer to write a policy for such person if such person were applying in such person's own name and not as part of a household.
- (III) An insurer renewing a policy pursuant to subparagraph (II) of this paragraph (b) shall include as part of such renewal a written notice naming the party specifically excluded from coverage.

Section 10-4-721, C.R.S., Exclusion of named driver, states, in part:

(1) In any case where an insurer is authorized under this part 7 to cancel or refuse to renew or increase the premiums on an automobile liability insurance policy under which more than one person is insured because of the claim experience or driving record of one or more but less than all of the persons insured under the policy, the insurer shall in lieu of cancellation, nonrenewal, or premium increase offer to continue or renew the insurance but to exclude from coverage, by name, [emphasis added] the person whose claim experience or driving record would have justified the cancellation or nonrenewal. The premiums charged on any such policy excluding a named driver shall not reflect the claims, experience, or driving record of the excluded named driver.

Section 10-4-628, C.R.S., Refusal to write-changes in-cancellation-nonrenewal of policies prohibited, effective July 1, 2003, states, in part:

- (b)(I) An insurer shall not refuse to write a complying policy solely because of the claim or driving record of one or more but fewer than all of the persons residing in the household of the named insured.
- (II) An insurer shall offer to exclude any person by name pursuant to section 10-4-629 if such person's driving record and claim experience would justify the refusal by such insurer to write a policy for such person if such person were applying in such person's own name and not as part of a household.
- (III) An insurer renewing a policy pursuant to subparagraph (II) of this paragraph (b) shall include as part of such renewal a written notice naming the party specifically excluded from coverage.

Section 10-4-630, C.R.S., Exclusion of named driver, effective July 1, 2003, states, in part:

(1) In any case where an insurer is authorized under this part 6 to cancel or refuse to renew or increase the premiums on an automobile liability insurance policy under which more than one person is insured because of the claim experience or driving record or one or more but less that all of the persons insured under the policy, the insurer shall in lieu of cancellation, nonrenewal, or premium increase offer to continue or renew the insurance but to exclude from coverage, by name, the person whose claim experience or driving record would have justified the cancellation or nonrenewal. ...

The company's underwriting manual exception pages, Colorado (02-17-2003) states, on page 1 of 3:

New Business-Basic Binding Rules . . .

Number of Occurrences

Households and operators are subject to a maximum number [sic] occurrences during the experience rating period. An occurrence is any moving violation conviction or AF Accident. ...

(1) each *operator* has no more than 3 occurences **and** (2) each *household* has no more occurrences than are specified on the chart below. [Emphasis added.]

#of Autos Per Household	Maximum # of Occurrences
4 or more	4
3	3
2	2
1	1

The use of occurrences per household as the basis for issuing policies of insurance, rather than making an offer of a named driver exclusion, where applicable, appears to be a violation of Colorado insurance law.

Recommendation #3:

Within 30 days the Company should demonstrate why it should not be considered to be in violation of Sections 10-4-719.7, 10-4-721, 10-4-628 and 10-4-630, C.R.S. If the Company is unable to provide such documentation, it should be required to provide documentation demonstrating that it has corrected its practices and procedures when issuing or renewing policies of insurance and has implemented a plan to ensure compliance with applicable Colorado insurance law.

Issue D: Cancellation of coverage after fifty-nine (59) days in some cases, for reasons not allowed by Colorado insurance law, and failure, in some cases, to clearly describe the underwriting rule, policy or guideline which is the basis for non-renewing a policy.

Section 10-4-602, C.R.S., Basis for cancellation, states:

- (1) A notice of cancellation of a policy shall be valid only if it is based on one or more of the following reasons:
 - (a) Nonpayment of premium; or
 - (b) The driver's license or motor vehicle registration of either the named insured or any operator either residing in the insured's household or who customarily operates an automobile insured under the policy has been under suspension or revocation during the policy period or, if the policy is a renewal, during its policy period or the one hundred eighty days immediately preceding its effective date; or
 - (c) An applicant knowingly made a false statement on the application for insurance; or
 - (d) An insured knowingly and willfully made a false material statement on a claim submitted under the policy.
- (2) This section shall not apply to any policy or coverage which has been in effect less than sixty days at the time notice of cancellation is mailed or delivered by the insurer, unless it is a renewal policy.

Section 10-4-629, C.R.S., Cancellation – renewal - reclassification, states:

- (1) Except in accordance with the provisions of this part 6, an insurer shall not cancel or fail to renew a policy of insurance that complies with this part 6, issued in this state, as to any resident of the household of the named insured, for any reason other than nonpayment of premium, or increase a premium for any coverage on any such policy unless the increase is part of a general increase in premiums filed with the commissioner and does not result from a reclassification of the insured, or reduce the coverage under any such policy unless the reduction is part of a general reduction in coverage filed with the commissioner or to satisfy the requirements of other sections of this part 6.
- (2) An insurer intending to take an action subject to the provisions of this section shall, on or before the thirtieth day before the proposed effective date of the action, send written notice by first-class mail of its intended action to the insured at the insured's last known address. The notice shall be in triplicate and shall state in clear and specific terms, on a form that has been certified by the insurer and the insurer has filed a certification with the commissioner that such notice form conforms to Colorado law and any rules or regulations promulgated by the commissioner:

(c) The insurer's actual reasons for proposing to take such action. The statement of reasons shall be sufficiently clear and specific so that a person of average intelligence can identify the *basis* [emphasis added] for the insurer's decision without making further inquiry. Generalized terms such as "personal habits", "living conditions", "poor morale", or "violation or accident record" shall not suffice to meet the requirements of this subsection (2).

Section 10-4-720, C.R.S., Cancellation – renewal - reclassification, states:

- (3) Except in accordance with the provisions of this part 7, no insurer shall cancel or fail to renew a policy of insurance which complies with this part 7, issued in this state, as to any resident of the household of the named insured, for any reason other than nonpayment of premium, or increase a premium for any coverage on any such policy unless the increase is part of a general increase in premiums filed with the commissioner and does not result from a reclassification of the insured, or reduce the coverage under any such policy unless the reduction is part of a general reduction in coverage filed with the commissioner or to satisfy the requirements of other sections of this part 7.
- (4) An insurer intending to take an action subject to the provisions of this section shall, on or before thirty days prior to the proposed effective date of the action, send written notice by first-class mail of its intended action to the insured at his last known address. The notice shall be in triplicate and shall state in clear and specific terms, on a form which has been certified by the insurer and the insurer has filed a certification with the commissioner that such notice form conforms to Colorado law and any rules or regulations promulgated by the commissioner:
 - (c) The insurer's actual reasons for proposing to take such action. The statement of reasons shall be sufficiently clear and specific so that a person of average intelligence can identify the basis [emphasis added] for the insurer's decision without making further inquiry. Generalized terms such as "personal habits", "living conditions", "poor morale", or "violation or accident record" shall not suffice to meet the requirements of this subsection (2).

Colorado Insurance Regulation 5-2-3, Auto Accident Reparations Act (No Fault) Rules and Regulations, promulgated by the Commissioner of Insurance under the authority of Sections 10-1-109, 10-4-704, 10-4-704, and 42-1-204, C.R.S., amended effective February 1, 1998, December 1, 2000, and May 1, 2001, states, in part:

- E. Rules Limiting Insurers' Action To Refuse To Write, Cancel, Nonrenew, Increase Premium, Surcharge Or Reduce Coverages
 - 2. Notice of proposed actions.

a. A proposal to cancel, nonrenew, increase the premium or reduce coverage under a private passenger motor vehicle insurance policy shall state the actual reason for proposing such action in the notice required by §10-4-720 (2), C.R.S. Only one notice is required to be sent to the insured whose incident resulted in the proposed action. The statement of reasons shall be clear and specific so that a reasonable person can understand it. The insurer shall clearly describe its underwriting rule, policy or guideline which is the basis for the proposed action. A simple recitation of dates and incidents, without further detail, is not acceptable and may cause the insurer's proposed action to be disallowed. [Emphasis added.]

Colorado Insurance Regulation 5-2-12, Concerning Automobile Insurance Consumer Protections, promulgated by the Commissioner of Insurance under the authority of Sections 10-1-109, effective July 1, 2003, states, in part:

- B. Rules Limiting Insurers' Action To Refuse To Write, Cancel, Nonrenew, Increase Premium, Surcharge Or Reduce Coverages
 - 2. Notice of proposed actions.
 - a. A proposal to cancel, nonrenew, increase the premium or reduce coverage under a private passenger motor vehicle insurance policy shall state the actual reason for proposing such action in the notice required by \$10-4-629(2)(c), C.R.S. Only one notice is required to be sent to the policyholder. The statement of reasons shall be clear and specific so that a reasonable person can understand it. For purposes of this notice, "clear and specific" shall mean the inclusion of the following:
 - (1) Clear indication of the action contemplated by the insurer, i.e., premium increase, reduction in coverage, non-renewal or cancellation;
 - (2) Clear summary of the underwriting guideline or rule that supports the action, i.e., more than one speeding traffic violation in a six month period, more than one at-fault accident in a two-year period, etc.;
 - (3) Clear description of the nature of the at-fault accident, including the date and location; and
 - (4) The complete legal name of the person upon whom the action is based, as evidenced by the insurer's records.

Population	Sample Size	Number of Exceptions	Percentage to Sample
18	18	3	17%

The examiners identified three (3) instances in which policies were cancelled after fifty-nine (59) days for reasons not allowed by Colorado insurance law. The three (3) exceptions were discovered when policies included on the run of policies presented to the examiners as *cancelled within fifty-nine* (59) days contained three (3) policies *cancelled beyond fifty-nine* (59) days. These three (3) policies were added to the count of policies cancelled after fifty-nine (59) days.

These three (3) exceptions are as follows:

- One (1) policy was cancelled "due to insured's failure to return a signed application to verify the selected coverages on this policy";
- One (1) policy was cancelled for "failure to provide correct information necessary to underwrite and rate this policy";
- One (1) policy was cancelled for "failure to provide accurate underwriting information."

Canceling policies that have been in force for more than fifty-nine (59) days for impermissible reasons may be a violation of Colorado insurance law.

Policies non-renewed

Population	Sample Size	Number of Exceptions	Percentage to Sample
89	50	3	6%

An examination of fifty (50) policies, representing 56% of all policies non-renewed by the Company in Colorado during 2003, showed three (3) exceptions (6% of the sample) in which the Company failed to clearly describe its underwriting rule policy or guideline in the notice of non-renewal which was the basis for non-renewal.

The exceptions occurred because the non-renewal notices only stated (name) is suspended.

Failure to describe clearly the underwriting rule, policy or guideline which is the basis for non-renewing or canceling a policy may be a violation of Colorado insurance law.

Recommendation #4:

Within 30 days the Company should demonstrate why it should not be considered to be in violation of Sections 10-4-720 and 10-4-629, C.R.S., and Colorado Insurance Regulations 5-2-3 and 5-2-12. If the Company is unable to provide such documentation, it should be required to provide documentation demonstrating that it has corrected its non-renewal and cancellation practices and procedures to ensure compliance with Colorado insurance law.

PERTINENT FACTUAL FINDINGS
<u>CLAIMS PRACTICES</u>

Issue E: Failure, in some cases, to timely pay PIP benefits

Section 10-4-708 (1), C.R.S., Prompt payment of direct benefits, states:

Payment of benefits under the coverages enumerated in section 10-4-706 (1)(b) to (1) (e) or alternatively, as applicable, section 10-4-706 (2) or (3) shall be made on a monthly basis. Benefits for any period are overdue if not paid within thirty days after insurer receives reasonable proof of the fact and amount of expenses incurred during that period; except that an insurer may accumulate claims for periods not exceeding one month, and benefits are not overdue if paid within fifteen days after the period of accumulation. If reasonable proof is not supplied as to the entire claim, the amount supported by reasonable proof is overdue if not paid within thirty days after such proof is received by the insurer. Any part or all of the remainder of the claim that is later supported by reasonable proof is overdue if not paid within thirty days after such proof is received by the insurer. In the event that the insurer fails to pay such benefits when due, the person entitled to such benefits may bring an action in contract to recover the same.

Colorado Insurance Regulation 5-2-8, Timely payment of Personal Injury Protection benefits, promulgated by the Commissioner of Insurance under the authority of Sections 10-1-109, 10-4-704, 10-4-708(1.3) and 10-3-1110(1), C.R.S., effective November 1, 1997, amended September 1, 2000, provides, in part:

B. Prompt Payment of PIP Benefits

Section 10-4-708(1), C.R.S., provides that benefits under the coverages enumerated in Section 10-4-706, C.R.S., are overdue if not paid within 30 days after the insurer receives reasonable proof of the fact and amount of the expenses incurred.

Section 10-4-708(1), C.R.S., allows for the accumulation of claims expense for periods not exceeding one month and provides that benefits are not overdue if paid within 15 days after the end of a defined period of accumulation. An insurer is permitted by this statute to pay a bill within 15 days after the end of a defined accumulation period only when there is a reasonable likelihood that multiple providers are involved and more than one bill is received during the accumulation period.

C. Requirements Establishing Proof of the Fact and Amount of Expenses Incurred

1. Medical and Rehabilitative PIP benefits

In the usual case, for purposes of triggering the 30-day time period described in Section 10-4-708(1), C.R.S., the following documents are sufficient to establish reasonable proof of the fact and amount of the expenses incurred for covered medical and rehabilitative PIP benefits:

a. A properly executed application for benefits from the PIP claimant; and

- b. An initial notice to the insurer from the provider of benefits which meets the requirements of Section 10-4-708.5, C.R.S. or a billing statement for the procedure or treatment which complies with Section 10-4-708.6, C.R.S., and includes pursuant to Section 10-4-708.5 the following:
 - (1) The name and address of the treating health care provider;
 - (2) The evaluation of diagnosis, and the medical procedure performed or the medical treatment provided; and
 - (3) An itemized statement of charges corresponding to the medical service or treatment provided along with corresponding dates of service.

PIP Claims Paid

Population	Sample Size	Number of Exceptions	Percentage to Sample
537	50	12	24%

An examination of fifty (50) paid claims, representing 9% of all PIP claims paid by the Company in Colorado during 2003, showed twelve (12) exceptions (24% of the sample) in which the Company failed to pay benefits within the statutory standard of 30 days.

Failure to pay PIP claims within the 30 day statutory period may be a violation of Colorado insurance law.

Recommendation #5:

Within 30 days the Company should demonstrate why it should not be considered to be in violation of Section 10-4-708, C.R.S. and Colorado Insurance Regulation 5-2-8. If the Company is unable to provide such documentation, it should be required to provide documentation demonstrating that it has reviewed all procedures related to the timeliness of claims handling and has implemented all necessary changes to ensure compliance with Colorado insurance law.
